### **Athletes: Read below for information regarding the new athletic fee.**

Which sport do you participate in? \_\_\_\_\_

An annual athletic insurance fee of \$110 will be charged to **all athletes**. Due to confusion regarding the past deductible, Bethel has decided to go with a zero deductible athletic policy. Compared to our previous policy this policy will decrease the out of pocket costs to our athletes if injured. Our policy is secondary and will start paying on usually and customary charges immediately after any primary policy has paid its portion.

**Changes in Billing  
Student Insurance for 10-11**

We will be billing the annual insurance premium in the fall this year instead of billing ½ of the premium each semester as we did last year.

Please call if you have questions regarding this change in billing.
